

Peak Dermatology
2009 W. Littleton Blvd. Suite 100
Littleton, CO 80120

Office and Financial Policies

Office Visits

Please arrive 15 minutes before your scheduled appointment to fill out initial paperwork. Please bring a photo ID, your current insurance cards, and a form of payment for your copay. We accept cash, check, Visa, Discover, and MasterCard. If you must cancel an appointment, please provide a minimum of 24 hours notice. No-show or late cancellations may result in \$50 fee. If you arrive more than 10 minutes late for an appointment, you may be asked to reschedule.

Biopsy and Pathology Charges

Tissue samples from biopsy specimen will be processed outside of Peak Dermatology. There will be a separate charge submitted to your insurance for this service. Service providers for tissue processing include National Histology and CU Dermatopathology. Diagnostic histologic analysis of specimen will be performed by Peak Dermatology physicians or by pathologists at CU Dermatopathology. There will be separate charge for this service as well.

Medication Refills

Refills will be handled during office hours; the on-call doctor will not refill medications. Please contact your pharmacy to initiate your refill request. If physician approval is required, the pharmacist will contact our office on your behalf. For continuity of care and to monitor progress, refill requests on prescriptions older than 6 months will not be honored.

Insurance

Medical insurance is a contractual agreement between you and your insurance carrier. As a service to our patients, we will bill insurance companies for services and allow them to render payment. After 60 days, you are responsible for any unpaid balance. If you do not respond to our monthly statements, a final statement will advise you that your account will be turned over to a collection service. Transferring your balance to a collection service will create an additional \$20 fee.
